NABWIC

National Association of Black
Women in Construction, Inc.

Every year, the active and affluent game-changers across the country gather for the Congressional Black Caucus Foundation's 2019 Annual Legislative Conference in Washington DC. During this time NABWIC hosts an annual reception and attendance has continued to grow over the years. Last year over 200 attended our evening reception. This year the reception will be held on September 12, 2019 and the number of registrants for the year has already surpassed that number.

Here's your opportunity to reach your target audience and increase sales by advertising in NABWIC Commemorative booklet which will be provided to each attendee at the reception.
