

NATIONAL ANIMAL
CARE & CONTROL ASSOCIATION

*The National Animal Care & Control Association
is committed to setting the standard of professionalism in animal welfare
and public safety through training, networking, and advocacy.*

May 15, 2016

Dear NACA Members,

We have been working very hard to build upon NACA's past success by identifying opportunities to grow into the future. One growth opportunity is the move toward a virtual workplace for NACA, and our staff. I am excited to announce that the successful launch of NACA's new website in 2014, has made this growth opportunity a reality! On June 1, 2016, NACA will officially be totally virtual.

As part of our growth process, we have been working on determining the best business outcome for the Corporate Office building itself, and the ACO Memorial located in front of the building. It is too early in this process to announce plans for them, but rest assured, we will fully address these matters, as we move forward.

Although we are making this change in operations, there will be no noticeable change for NACA Members, nor any downtime in NACA services or training. The only real change for NACA members will be a new mailing address for NACA. To help us make the transition, NACA Members are asked to update their records, and provide their accounts payable department with our new mailing address:

National Animal Care & Control Association (NACA)
40960 California Oaks Rd. #242
Murrieta, CA 92562

All other NACA contact information will remain the same:

Phone: 913-768-1319

Fax: 913-768-1378

Website: www.nacanet.org

Email: naca@nacenet.org

As a valued NACA Member we thank you for taking the time to update your records. Please feel free to contact me at 913-768-1319, or at naca@nacenet.org with any questions.

Sincerely,

George W. Harding, IV MBA CAWA

Executive Director

National Animal Care & Control Association
