EUTHANASIA & CHEMICAL IMMOBILIZATION CERTIFICATION WORKSHOP

June 21-23, 2016 – Longmont, Colorado

This program consists of two individual certification courses that are taught over a three-day period. Each class is one and a half days in length and may be taken separately, but are designed to be taken together.

Who Should Attend

This program is designed for Animal Care & Control personnel at the federal, state, and local levels and for Police Officers and Sheriff's Deputies responsible for animal care and control and all of its many facets. In addition, those people interested in a career in the animal care and control field are welcome to attend. No previous animal control experience is required. It is not necessary to attend other NACA training courses before attending these certification courses.

Euthanasia Certification: This day-and-a-half-long workshop will cover the History of Euthanasia, Goals of Humane Euthanasia, Anatomy and Physiology, Types of Administration, IV Technique, Stress Management, Legal and Regulatory Issues and Hands-on Lab Techniques using anatomically-correct animal models.

Chemical Immobilization Certification: This day-and-a-half-long workshop will cover Chemical Immobilization Policy Development, Legal Considerations and Record Keeping, Physiological Effects of Chemical Agents, Proper Dosage and Administration Techniques, Post-Immobilization Procedures, Public and Personnel Safety and the Use of Chemical Immobilization Equipment, to include Range time practicing with that equipment.

Tuition/Registration/Payment

Tuition for this program is \$500.00 for the full three days of training. This rate represents a savings of \$50.00 over taking the individual workshops at the normal tuition rate. Tuition for individual workshops is as follows: Euthanasia - \$275.00; Chemical Capture - \$275.00. Each workshop will require the successful completion of a written examination and a practical familiarization (hands-on use) for certification. Participants will be awarded certificates of completion by the National Animal Care & Control Association.

Register online at www.nacanet.org. Registration should be received at least 30 days prior to class start date. Credit cards are charged at time of registration, otherwise full payment is due the first day of class. Please call NACA, 913-768-1319 with any questions. A 25% fee will be assessed on any cancellation made TWO WEEKS or less prior to class date.

Location and Lodging

The Euthanasia & Chemical Immobilization Certification Workshops will be conducted at the Kinsco - Code 3 Associates Training Center, 1530 Skyway Drive, Longmont, CO, 80504. Nearby hotels include Best Western (720) 494-1925, Hampton Inn Longmont (303) 772-2554, and Holiday Inn Express (303) 684-0404. These hotels are not within walking distance of the workshop site. Please visit www.nacanet.org for a complete training schedule.
