CARE & CONTROL ASSOCIATION

*The National Animal Care & Control Association
is committed to setting the standard of professionalism in animal welfare
and public safety through training, networking, and advocacy.*

Dear NACA News Advertiser,

I would like to thank you for your support of the National Animal Care & Control Association. By choosing to sponsor advertisements in the *NACA News*, you have made a commitment to help NACA set the standard of professionalism in animal welfare and public safety.

It is time to consider your advertising needs for 2019. We have kept *NACA News* advertising prices low since 2013. For the 2019 publishing year, there will be no increase in our advertising prices. I believe you will find advertising in the *NACA News* provides you with the best return on your advertising dollars. Additionally, NACA Corporate members will continue to receive a 15% discount on the advertising prices. Be sure to renew your NACA membership to receive this discount.

Every issue of the *NACA News* is viewed by more than 5,000 people, with information packets containing the *NACA News*, and your ad, being viewed by hundreds of non-NACA members at numerous events, such as the HSUS Expo, AAWA Annual Conference, and also at state animal care and control conferences nationwide. In addition, referral for your products and services are given during NACA Training Academies, on the NACA website, and when requests are made at the NACA Corporate Office.

The payment process has been streamlined and we will email advertisement invoices directly to you when the current issue of the *NACA News* is mailed out. You will also receive a copy of the *NACA News* with your ad. Upon receipt of your invoice, you will be able to pay directly with a credit card, or you can mail us a check for payment. With this new invoicing process, we will no longer need to collect credit card authorization forms.

Please return your completed order insertion form as soon as possible. If you need anything further, contact me at 913-768-1319, or via e-mail at naca@nacanet.org.

I truly appreciate your continued support, and look forward to another year of working with you to bring the best services and products available in the industry, to our members.

Sincerely,

John W. Thompson
Executive Director and CEO
