FOR IMMEDIATE RELEASE

Nova Southeastern University Presented with NACCU's 2019 Best Card Design Award

Phoenix, AZ – April 26, 2019 – NACCU is proud to announce that the Nova Southeastern University SharkCard office is the recipient of the 2019 NACCU Best Card Design Award. ColorID's David Stallsmith presented the award to Vernol Robinson, Director of SharkCard Services, during the 26th Annual NACCU Conference in Hartford on April 10, 2019.

"This award makes an overall statement that the Student ID Card has evolved to be so much more. We are a crucial part of the institution and form part of the foundation of the student experience," said Vernol. "We are truly honored and humbled to win this award. It is a great feeling to be recognized by our peers at NACCU. It is also great to bring this award back and present it to our leadership so they too can be a part of this experience."

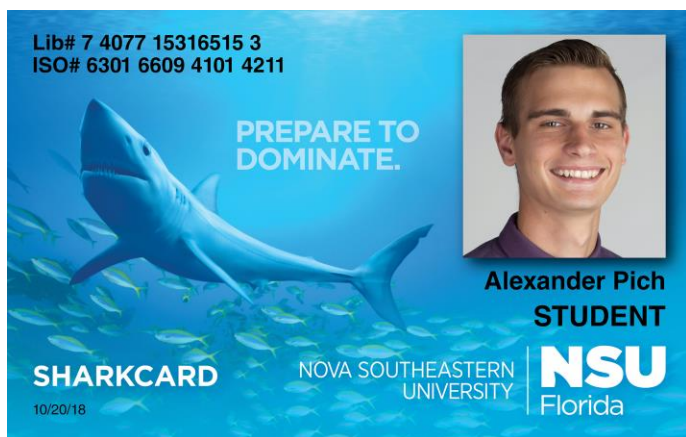

The updated SharkCard design will be released to the campus community in Fall 2019.

The NACCU Best Card Design Award, sponsored by ColorID, is presented to the institution which is first selected as one of five finalists by the Awards Committee based on a grading matrix, then receives the most votes from NACCU members prior to and during the NACCU Annual Conference.

NACCU congratulates Nova Southeastern University as the recipient of the 2019 NACCU Best Card Design Award.

David Stallsmith and Vernol Robinson

About NACCU

NACCU provides members access to a network of campus identification and transaction system resources to integrate and streamline campus operations, and enhance the student experience. NACCU's mission is to advance the position of higher education transaction and identity systems through professional development and leadership opportunities for its members to stay current in an ever-changing environment.
