Measureable Results:

- 75% of active and 30% of live members engaged annually by 2020

What	When	How	Who
Determine how members wish to receive communication regarding PD opportunities.	2016 Annual Business meeting session. Implement suggestions as appropriate in 2017.	<ul style="list-style-type: none"> RD State Visits State Officer Workshop Fall of 2016 Feedback from members attending 2016 Annual Business Meeting session. 	State Relations Team Professional Development Committee Chair VP of Professional Development
Develop a method to track participation at PD offerings sponsored by NAE4-HA including virtual and face-to-face sessions.	2017-2020 – Annual data collection.	Use registration data for webinars set-up by Executive Director Team. Received data from NAE4-HA Task Forces and Committees for any virtual and/or face-to-face PD offered either to full membership or just that sub-group. Data collected from Regional Directors for PD sessions they provide during state visits.	State Relations Team Professional Development Committee Chair & Respective Task Forces VP of Programs & Respective Task Forces First Timer’s Orientation Task Force Executive Director Team
More effective marking of PD opportunities	2017-2020	TBD by suggestions received on how members prefer communication about PD offerings.	Professional Development Committee
