

EMS Education Allies Announce Summer Contest

Free Registrations to *Improving Your EMS Techniques* Workshops

GRAND RAPIDS, MICH. – As allies in EMS education, both the National Association of EMS Educators (NAEMSE) and Platinum Educational Group understand how important relative CE workshops can be to educators. That is why they created the *Improving Your EMS Techniques* workshop series in 2018. After two successfully completed workshops, the collaborates want to say thanks by giving away one free registration to the final two workshops.

“The collaboration between NAEMSE and Platinum Educational group has been very beneficial to EMS educators” said Joann Freel, Executive Director at NAEMSE, " the Improving Your EMS Techniques workshop provides another layer of training for use in the classroom. This workshop compliments the goals and objectives of the NAEMSE Instructor Courses 1 & 2 “.

The final two workshops are detailed below:

1. **Atlanta, Georgia 10/26/18–10/27/18 – Hosted at Grady EMS Academy**
2. **Reno, Nevada 11/9/18-11/10/18 – Hosted at Truckee Meadows Community College**

To participate, go to Platinum Educational Group’s company Facebook Page, click on events, choose the event you would like to attend, and write “Building a Better EMS Together” in the comment box. Finally, share the event on your timeline and you are successfully entered. Winners will be announced on the Facebook Page on September 14, 2018.

For Platinum Education Group, CEO and co-founder Doug Smith stated, “We are honored to be a part of this important collaboration to bring fresh instruction and Continuing Education credits to the Nation’s EMS educators.”

For full details of this contest contact Jeremy M. Johnson, at marketing@platinumed.com.

About Platinum Educational Group

Platinum Educational Group is a global leader in online testing, clinical tracking, scheduling, and reporting. With 15+ years of providing software solutions to the EMS, Allied Health, Nursing, and Career Training institutions, we have serviced several thousands of individuals, businesses, and organizations globally and throughout the United States.

About the National Association of EMS Educators (NAEMSE)

Founded in 1995, the National Association of EMS Educators is the representative body for EMS educators across the world. NAEMSE, an EMS based membership association, aims to empower the profession of EMS Education through collaboration, education, and innovation. Over the past 20 years, NAEMSE has certified more than 10,000 individuals as National EMS Instructors through the NAEMSE Instructor Courses, which are held across North America. NAEMSE’s mission is inspiring educational excellence.
