NAEMSE STRATEGIC PLAN
APRIL 2022

VISION
To be the Leader in Advancing Practice by Empowering and Mentoring Healthcare Educators

MISSION
Inspiring Educational Excellence

VISION METRICS DISCUSSION
- Competitive pay for educators and providers
- ACE Accreditation for all NAEMSE courses
- Advanced degree educators
- Nationally certified educators
- Paramedics are degreed

2022 STRATEGIC GOALS
- Continued expansion of NCEE acceptance through articles and webinars
- Issuance of new NAEMSE certificate for completing all four IC courses - IC1, IC2, Skills, and Lesson Planning
- Upgrade communication technology
- Create Diversity, Equity, and Inclusion resources for educators
- Form a working group to update the foundations textbook

2023 STRATEGIC GOALS
- Completion of a Program Director position paper
- Creation of a collaborative research conference
- Develop a new assessment and measurement instructor course
- Seek additional contract and partnership work with NHTSA
- Identify international collaboration opportunities
- Create EMS educational scholarship for research and degree attainment

2024 STRATEGIC GOALS
- Completion of an EMS educator mentor year program
- Expand symposium topics and presentations
- Expand the NAEMSE faculty for instructor courses
- Implement a NAEMSE Fellowship
- Publish the 4th edition of the Foundations of Education textbook
- Upgrade the 3-year strategic plan
