What is the new NAEMSE Skills Instructor Course?

The brand new Skills Instructor Course is the only program focused strictly on the teaching and evaluation of patient care skills, which translate to hands-on patient care.

Participants will leave with an understanding of educational theories regarding psychomotor instruction and the proper way to teach, provide feedback and evaluate student competencies.

All experience levels welcome!

If you are a skills instructor, EMS educator, field training officer, or just want to improve your ability to teach and evaluate patient care skills, this course is for you!
