The Parent, Family & Community Network (PFCN) believes that the families of gifted students and resources within their communities are a crucial part of the growth of gifted individuals. One of the major goals of the network is to enhance parent effectiveness and to network community resources.

Join us for our inaugural webinar when we explore Part I of our Advocacy Series!

**February 28th from 7:00 pm - 8:00 pm (EST) with special guest and speaker, Dr. Christine Deitz!**

Scan the code below to get on the list to receive reminders and the Zoom meeting link to join the webinar on February 28th. If you have not done so already, join the PFCN, and automatically receive updates and reminders on future events.

Dr. Deitz is the Associate Director for the Mahony Center for Gifted Education at the University of Arkansas at Little Rock. She is a nationally recognized educator in gifted and talented education. Beyond her 30 years of public school service, Christine holds two National Board Teacher certificates in social studies and Exceptional Needs/Gifted. Christine served on several NAGC Taskforces, assisting Presidents George Betts, Jonathan Plucker, and incoming president, Lauri Kirsch. Dr. Deitz is currently the immediate past president of her state’s advocacy organization, Arkansans for Gifted and Talented Education, having served as president from 2018-2000. Christine has served on the AGATE board since 2007. Dr. Deitz currently serves as the state representative on the National Association for Gifted Children’s Board of Directors.
