Our in-person October Board of Directors' meeting was held in Dallas. Representatives of our inaugural Vendor Advisory Panel for 2018-2019 also attended: Kelly Burnworth from DocCafe, Jack Lindeman from Doximity, Nancy Anderson from PracticeLink and Lynne Triana from DMD.

The Vendor Advisory Panel was formed to share perspectives on the industry, provide recommendations and feedback regarding the Convention and promote more beneficial relationships between vendors and members.

Industry Trends Survey

We're excited to announce that NAPR will be conducting an Industry Trends Survey. Full results will be released free to participants. The survey will provide you with comparatives of your organization within the physician recruiting industry. Partnering with us to compile and analyze the data is Staffing Industry Analysts (SIA), well-known advisor on staffing and workforce solutions. Thank you to our Vendor sponsors DocCafe and Wolters Kluwer for making this survey possible. Watch your inbox for the survey link, coming January 2019!

Convention

Remember to register for the NAPR/NALTO 2019 Annual Convention, February 19-21, 2019 at the Hilton La Jolla Torrey Pines, La Jolla, California. [Click here to register today!](#)

What could be better? There's a friendly golf tournament at one of the nation's premier municipal golf courses, an excellent opportunity to network with colleagues, choose the best sessions to maximize your learning, connect with industry leaders and speakers and gain visibility for your organization.

World Job Bank

In the next few months we will be premiering a completely new World Job Bank with thousands of candidates and great new features.

Your Board's focus for 2019 remains on adding value to your membership.
