2015 Aviation Art Contest
World Air Games

Grab your favorite art supplies and create a poster that captures the excitement of the FAI World Air Games Dubai!

Top air sport athletes from around the globe will travel to Dubai, UAE, to compete in the largest air sports event in the world...the FAI World Air Games. Over a period of 12 days, spectators will enjoy special locations while watching world class competitions and air shows fill the sky in a dazzling display of manoeuvres that can only take place above the ground.

Airplanes and gliders amaze the crowd with spins, loops, and dives. Powered planes show their skills in an air navigation race. People look up to see colorful hot air balloons and airships dotting the sky. Hang gliders compete for aerobatic ability, while paragliders show off their aerobatic and landing accuracy abilities. Parachutists work together in incredible formations and last, but not least, microlights and paramotors compete in slalom races as helicopter pilots show off their craft in slalom and accuracy competitions. All of this and much, much more. Good luck!
