**Community Service** offers a unique opportunity for our members to get involved in giving back to the community with sponsored events and contributions for displaced residents, underprivileged children, homeless residents in our city and breast cancer awareness.

**GNAA Directory**, including a Buyer's Guide, is published exclusively for the use of our members and is a tremendous resource for all of your multi-housing needs.

**Education** GNAA plays a key role in providing continuing education for multi-family professionals. Programs include both specialized courses and structured curriculum designed to result in industry designations of proficiency.

Winners from each local event get a chance to qualify for a spot at the National championship held at the annual NAA Education Conference & Exposition.

**Membership** is the key to the strength of our organization. GNAA offers a unique blend of membership services that can include opportunities for career enhancement, volunteer leadership and community involvement.

**News & Events** *News & Events* magazine is the number one resource to learn about the issues and topics that affect GNAA members in their daily business. Our monthly publication is produced in full color!
