COURSE DESCRIPTION

The purpose of the Minority Supplemental Bar Review Program is to increase the diversity of the Delaware bar and to enhance the success of minority applicants. It is designed to provide technical assistance and support to any law school graduate who is duly registered to take the Delaware Bar Examination, *and* who has taken or will be enrolling in a commercial substantive bar review course. The Program does not compete with commercial bar review courses. It focuses upon the identification and teaching of the bar examination essay test-taking skills. This includes mental preparation skills to enhance bar examination performance. The Program is carried out through a series of lectures, discussion groups, one-on-one interactions, coaching, intensive practice essay exams and critiques, and review of questions and answers to previous Delaware bar exams. Members of the Delaware Bar volunteer to serve as teachers, mentors and coaches. The Program focuses on time and stress management, analytic skills, writing style for the bar examination and answer structure. Student attendance and participation at each session is expected.
