Opening Plenary - Designing Collaborative Solutions for Any Problem

As lawyers and particularly as lawyer leaders, we are called upon daily to solve problems and find solutions. But do we have the best tools? Do we have clear methods? How sure are we that we have found the best answers? *New York Times* best-selling author (*Designing Your Life*) and executive director of the Stanford Design Program, Bill Burnett, will show you proven design-based methods to solve complex problems. You will learn how to rapidly and efficiently design collaborative solutions you can

apply to designing a better life, building a stronger bar, perhaps even bridging the access to justice gap. In fact, this program just might change your life.
