Reason(s) for Pursuing This Position (100 words or less):

I am seeking position of Chief Delegate for the NCPTA because I feel the experiences I have had to date regarding leadership opportunities coupled with the experiences I have gained over the past 8 years as a delegate has prepared me for this role. I have a great working relationship with previous chief's as well as our chapter President which provides an excellent support system for me should I have the privilege of serving in this

role. The relationships I have fostered in the house will also prove to be an advantage for me as well as my level of comfort, confidence and experience speaking in front of the house.

What Contributions to the Position Will You Make (200 words or less):

I think our previous chiefs have done an outstanding job in this role in the past and I will continue with many things that have been developed over the years however one aspect that I hope to improve upon would be the orientation process for new delegates. The house can seem a bit overwhelming and providing a more structured orientation may serve to be helpful and less intimidating for individuals to run for the delegation. Communication is essential for this role and I feel that my communication skills would serve to be an asset for the chapter and it's members.

Thank you for your interest.
