**Reason(s) for Pursuing This Position (100 words or less):**

I am looking to continue my engagement within the PTA Caucus to continue to advocate for inclusion and growth of the PTA within the APTA, NCPTA and as part of the PT/PTA team. I feel my history within the group and my knowledge of where the PTA has been and the current growth puts me in alignment to continue the work established and be a well-respected voice within NC and as our representative to the HOD.

**What Contributions to the Position Will You Make (200 words or less):**

I hope to be able to work with various chapters including our NCPTA and within the PTA Caucus to continue the growth in PTA membership within the association. Be able to help remaining chapters and sections achieve the full vote at the chapter level through my experience within the PTA Caucus.

One of my goals for this year in conjunction with my role as DAL-PTA is to begin a quarterly informational call to licensees and students in our state to increase their awareness of the work of the NCPTA and the benefits of membership.
