Deadline: August 13, 2018

CANDIDATE NAME: Meredith Kelly, PT, DPT

NCPTA Position: Scholarship and Loan Committee

Previous NCPTA/APTA Involvement and Relevant Experiences:

I became an APTA member in 2014 when I was student. Being a part of the APTA has allowed me to stay informed on the latest topics and newest research, which in turn has helped me to be more progressive-minded in treating my patients. I am looking to become more involved with the organization.

Relevant Leadership Experience: While in undergrad and PT school, I was involved in various organizations which included:

- Member of DPT Serve 2014-2016: Participated in fundraisers for an organization at Elon University that provided free PT services to patients in the community without insurance, Volunteered for the H.O.P.E. Clinic 5K Race
- Admissions Counselor at Greensboro College July 2013-December 2013: Reviewed applications for students to determine their eligibility for admission into GC, attended college fairs to market GC to perspective students
- Member of Student Activities Board at Greensboro College 2011-2013: Participated in making decisions on activities to bring to GC that students would be interested in attending.
- Member of the Relay for Life Executive Board; Marketing Team 2012-2013: Helped with informing and gathering businesses to donate to Relay for Life cause at GC
- President of Campus Crusade for Christ at GC 2011-2013

Reason(s) for Pursuing This Position (100 words or less):

I am looking to become more involved with the NCPTA/APTA organizations and felt that the scholarship and loan committee would be a great place to start. I know that it can be expensive to pursue PT and PTA school, and finances can become a main barrier to

people pursuing what they really want to do. I think it would be a great opportunity to be involved in a committee that helps students financially move towards achieving a goal that they have set for themselves.

What Contributions to the Position Will You Make (200 words or less):

Since I graduated from PT school less than two years ago, I will bring a new PT perspective to the committee. I will bring a positive, optimistic attitude, and high energy to the committee to help with making the best decisions possible for those who need financial assistance.

Thank you for your interest.
