Deadline: August 13, 2018

CANDIDATE NAME: Frank Tudini

NCPTA Position: Scholarship and Loan Committee

Previous NCPTA/APTA Involvement and Relevant Experiences:

I have been a NCPTA member since I moved to North Carolina in June of 2017. Prior to this I was a practicing Physical Therapist in Connecticut and on the Board of Directors for the CT APTA as well as the co-chair for the Manual Therapy SIG. I have been an APTA member for the last 15 years and reviewed abstracts for CSM last year. I also participated in PT advocacy day in Raleigh this year with DPT students from Campbell University.

Reason(s) for Pursuing This Position (100 words or less):

I was very involved at the state level in Connecticut and have seen the benefits of being active in the state. This is a wonderful opportunity for networking with other APTA members in the state, faculty members from other universities, and being a bigger part of advocating for our profession. I also want to be a voice for Campbell University and rural health initiatives.

What Contributions to the Position Will You Make (200 words or less):

I bring over 15 years of clinical experience, 4 years of academic experience, and 2 years of Board of Director experience from Connecticut. I am an Orthopedic Certified Specialist as well as a Fellow in the American Academy of Orthopaedic Manual Physical Therapists. I have mentored residents as well as fellows in training and have contributed to several book chapters and journal publications. I have participated in rural health initiatives such as the migrant farm workers clinic and am the faculty liaison for the pro bono clinic and musculoskeletal SIG at Campbell University.

Thank you for your interest.
