CANDIDATE NAME: S. Tyler Shultz, PT, DPT, OCS

NCPTA Position: DAL Communications

Previous NCPTA/APTA Involvement and Relevant Experiences:

- Nominating Committee, NCPTA; 2017 - Current
- Section Historian, Academy of Orthopaedic Physical Therapy; 2016 – Current
- Committee Member, Public Relations and Marketing Committee, Academy of Orthopaedic Physical Therapy; 2010 – Current
- Editorial Advisory Board Member, APTA Perspectives Magazine, 2013 – 2015

Reason(s) for Pursuing This Position (*100 words or less*)

I have been involved with the APTA and Orthopaedic Section in various capacities throughout my professional career. I believe the NCPTA website and digital presence is lacking, resulting in a decrease in engagement and membership. The position of DAL Communication would allow me to assist the Chapter in the digital presence, growth, and overall communication amongst the membership and the public.

What Contributions to the Position Will You Make (*100 words or less*):

My experience on the PR Committee of the Academy of Orthopaedic Physical Therapy has primed me for the DAL Communication role. On that committee, I have curated social media posts that have been distributed nationwide, assisted in both a rebranding campaign and name change campaign. I will bring these same skills to the Chapter when needed. I will coordinate communication and social media initiatives amongst the districts and SIGs to maximize member engagement.

Education (*40 words or less*):

- BS Health Promotion, University of Georgia, Athens, GA. 2007
- Doctorate of Physical Therapy, Medical College of Georgia, Augusta, GA. 2011
