Rehab Services Manager, Inpatient Pediatrics
Manage a team of 34 clinicians across four cost centers

North Carolina State University **2017**
Jenkins Graduate School of Management
Master of Business Administration
Certifications: Business Analytics, SAP University Alliance Student Certificate

Reason(s) for Pursuing This Position (100 words or less):

I am interested in a position which will allow me to utilize formal business and finance training to advance NCPTA's vision and support the mission to protect, promote and progress the profession and best practice of physical therapy. As a member of the NCPTA finance committee, I have been educated and mentored by the best and recognize this position as a great fit for me.

What Contributions to the Position Will You Make (200 words or less):

I believe that the NCPTA is in a great position to influence policy and high-level decisions for the benefit of our patients and profession and I look forward to realizing the objectives outlined in the strategic plan.

In both my clinical and management careers, I have learned and appreciated the importance of applying consistent and sustainable resources towards the achievement of a particular set of goals. As treasurer, I will ensure that our financial policies, procedures and decisions align with the strategic plan approved by the board and membership. Leveraging our active and talented membership, I will further develop the finance committee to ensure proper oversight, member engagement and a steady pipeline of future financial leaders.

Thank you for your interest.
