

LCFHRA Membership FAQ's

1. Is my membership for one year from the day I sign up?

Membership is annual and it runs on a calendar year basis and is non transfereable.

2. Is my membership transferrable?

Your membership is your personal membership (regardless of who paid for it) therefore it is not transferrable to another person. 

3. How do I know about and attend programs?

Members can visit website lcfhra.org to view the calendar of events and register. Members can also check the lcfhra Facebook page for information and posts. Members will receive an email notifying them of upcoming meetings, a link to register is embedded in the email. *Please note we do advertise for both Wilmington and Jacksonville locations so be sure to register for the correct event. You are welcome to attend meetings in either location as part of your membership benefits.

4. Do I have to register to attend a meeting?

Yes, in order to attend a meeting you must register (See #3 for details on how you can register). This is to insure an accurate headcount for seating and food orders. If a non-registered person comes to a meeting, we will ask you wait in the lobby area until all registered persons have arrived. If we have a cancelation or no-show, we can then invite you in (again this is to ensure that those registered correctly have a seat and lunch first).

5. What happens if I can't make a meeting I have registered to attend?

Members/Guests who register for a meeting and cannot attend should contact one of the membership chairs (contact information for membership chairs is on the website under the "Board" tab) by the Friday prior to the Tuesday meeting. This enables us to adjust the food headcount without negative repercussions from the catering company.

*Members/Guests that are a no-show 3 times will be contacted by the membership chairs via email or phone as a friendly reminder of our "attendance policy". If a member/guest continue to no show following that friendly reminder they may face additional penalties up to and including having their membership suspended for the remainder of that calendar year.

6. If I register and can't attend can I send a non-member in my place?

Only registered members or guests can attend our meetings.

7. Can a member bring a guest?

Yes. They must be registered to attend. In order to register a guest at no charge please reach out to one of the membership chairs. Their contact information is on the website under the "Board" tab. The guest must be registered by the same cut-off date as general registration.

8. Can I come as a guest without being invited by a member?

Yes, you simply need to register as a guest - there is a \$20.00 fee for guests to attend
