As a member of CHES, you will receive a number of professional benefits!

**Active Membership** is available to individuals directly employed in or by healthcare-related facilities (those that provide patient care) and who have responsibility in healthcare facility operations (i.e., facilities management, plant engineering, planning/design/construction, security, safety, clinical engineering, and telecommunications).

**Supporting Membership** is available to manufacturers, vendors, contractors, distributors, service providers, architects, engineers, and others who interact with Society members as part of their businesses and professions. Supporting Members cannot vote or serve on the Board of Directors but they are eligible for all other Society benefits.

**Honorary Membership** is available to any member with a minimum of five years active membership who has retired from active work in the healthcare engineering field. Application must be made by the retiring member in writing to the Secretary. Honorary members are not required to pay dues but still need to submit a membership form annually.

**Educator/Student Membership** is available to educators and full-time college students teaching or taking course work related to any disciplines determined by the Society. Educator/Student Members may serve on committees, but may not vote or hold office.
