With the approach of Fall, our thoughts automatically turn to our Annual Fall Seminar — always very enlightening and enjoyable — and this year to be held at the Sheraton-Park Plaza Hotel in New Haven, Connecticut on Wednesday, Thursday, and Friday, November 1, 2, and 3.

The program contains an excellent list of speakers, whose topics include a presentation by the State Police, new hospital beds by Hill-Rom, controls by Honeywell, as well as a tour of laundry facilities at Consolidated Laundry, Milford — subjects of interest to us all.

The registration fee is $35 and it offers a luncheon and a dinner meeting.

This will be a Seminar you will not want to miss — we are certain it will be one of the most interesting gatherings of the year. Don’t delay — make your reservations today!

have been spent at the New Britain General Hospital, New Britain, Connecticut, as Director of Engineering. He is also a Hospital Building Services Management Consultant.

Among his outside activities, he is a professional trumpet player and also directs four choirs.

CHAPTER OF YEAR AWARD
The American Society for Hospital Engineers of the American Hospital Association presented an award to the New England Hospital Engineers Society at the Seminar held in Orlando, Florida from April 17 to April 20, 1972. The award – 1971 Chapter of the Year – was accepted by William L. Fagan, Regional Representative of AHA.

YOUR PROGRAM CHAIRMAN FOR FALL SEMINAR IS
NORMAN B. FISCHER
Director of Engineering
New Britain General Hospital
New Britain, Connecticut

Born in Torrington, Connecticut, Norman presently lives in North Wilbraham, Massachusetts with his wife, the former Pauline Dadian and their three children.

He attended Worcester Polytechnic Institute and earned his BSME in 1956. Norm served in the U.S. Army Medical Corps and reserves for a total of eight years.

Mr. Fischer has fifteen years experience in hospital engineering. He worked eleven years for the Veterans Administration and the last four years
MAIN DINNER SPEAKER

REV. ROBERT G. KEATING

The guest speaker at the dinner to be held at the Fall Seminar on Thursday evening, November 2nd, will be the Reverend Robert G. Keating.

Father Keating was born in Jersey City, New Jersey. He moved to New Haven, attended school there, graduating from Hillhouse High School in 1932. He graduated cum laude from St. Mary's Seminary, Baltimore, Maryland and was ordained a Priest in 1940.

His first assignment was as curate at St. Peter's Church in Bridgeport. In 1943, he joined the U. S. Navy as Chaplain — he remained in the Navy until 1946, having spent nineteen months aboard Attack Transport U.S.S. Cambria, and he participated in five invasions of the South Pacific Islands.

After being discharged from the Navy, he attended Catholic University of Labor-Management Relations and was later assigned to St. Rose's Church in Meriden, and was named Director of the Meriden Branch of Diocesan Labor Institute.

In 1950, he was appointed Chaplain at the Cheshire Reformatory and the Connecticut School for Boys. He was also named Professor of Religion at Cheshire Academy that year. At present he is State Chaplain of the Connecticut Sportswriters Alliance, Chairman of Derby Redevelopment Agency and Pastor of St. Jude Church in Derby.

While Father Keating is well known in the area, he is also prominent nationally. In 1961, he was elected National Chaplain of the American Legion and has appeared in almost every state as a speaker.

Although his topic for the dinner meeting is not presently announced, people having heard him will testify that he is a most engaging speaker and will be enjoyed by all.
