BULLETIN

Technical Bulletin 2024-16

Publication of Revised ANSI/NFRC 100, ANSI/NFRC 200, and ANSI/NFRC 500

This bulletin is a notification of publication and implementation of the following NFRC documents:

- ANSI/NFRC 100-2023[E0A2]: Procedure for Determining Fenestration Product U-factors
- ANSI/NFRC 200-2023[E0A3]: Procedure for Determining Fenestration Product Solar Heat Gain Coefficient and Visible Transmittance at Normal Incidence
- ANSI/NFRC 500-2023[E0A3]: Procedure for Determining Fenestration Product Condensation Index Ratings

NFRC members may download the documents via the links above (members must be logged into the NFRC community website) or they can be found on the **Technical Documents page**. Non-NFRC members may access the documents through the NFRC online store following the links in the second column. **Details on the changes incorporated into these versions of the documents are outlined in the provided REDLINE versions.**

For more information on these documents, or the NFRC Standards Committee, please contact Jen Padgett, Program Administrator.

National Fenestration Rating Council

NFRC envisions a future where every window, door, and skylight purchase decision is made using the NFRC label to evaluate energy performance.
