## NMEA ALL-STATE STUDENT REHEARSAL POLICY

Students participating in NMEA All-State ensembles are expected to attend and participate in all scheduled rehearsals and the final concert performance. Absences from any rehearsals because of an emergency reason will be considered on an individual basis to be determined by the respective clinic group Director and the NMEA President.

Note: It is expected that all students actively participate in rehearsals. If a student cannot participate in a rehearsal due to illness it is considered a missed rehearsal.

Regardless if students stay in their own homes or a hotel, it is the director's responsibility to get their students to All-State rehearsals on time. NMEA will not be responsible for contacting any students absent from rehearsal.

## PLEASE BE AWARE THAT...

- Any student who is a member of an ensemble performing as an "NMEA Performance Group" during the conference/clinic may be excused from All-State rehearsal 30 minutes prior to the start of the performance. The student is expected to return to the All-State rehearsal immediately after the performance if the All-State rehearsal is still in progress.
- Any student who is a member of an ensemble performing as a demonstration group during the conference/clinic may be excused from All-State rehearsal 15 minutes prior to the start of the performance. The student is expected to return to the All-State rehearsal immediately after the performance if the All-State rehearsal is still in progress.

## Chorus Recording Procedure and Script

To begin, you will need to have the sound track file ready to play back while the student is auditioning. At the beginning of the audition you will record your voice reading the student voice part (Ex: Tenor I). The remainder of the recording will be the student's performance. Please follow this script exactly! Do not pause the recording once it has started.

Additional note: before you begin the actual recording make sure you have a good balance between the recording and the student singing.

### Chorus Director's Script

Follow and announce the script exactly as follows:

1. Press RECORD. Read the director's statement into the digital recorder: **"This is an audition for Chorus: ."** (For example: "This is an audition for Chorus: Tenor I." Do not identify your student by name or school. Do not pause the recording. PLEASE BE SURE TO READ THE DIRECTOR'S STATEMENT EXACTLY AS IT IS PRINTED. DO NOT VARY FROM THIS SCRIPT IN ANY WAY.
2. Press play on the sound track. The student will perform the audition following the instructions given on the sound track.
3. (Press STOP if this is the end of the audition.)

4. Listen to enough of the recording to be sure that the student was recorded. If the audition was successfully recorded look for the green check mark of completion on the application. You are now finished and can set up for the next audition.
