# 2019 GUIDELINE LAUNCH AGENDA

NPIAP℠
NATIONAL PRESSURE INJURY ADVISORY PANEL

## Conference Objectives

This conference serves as the international launch of the 2019 International Guideline on Pressure Ulcer/Injury Prevention and Treatment. This evidence-based guideline was developed under the leadership of the National Pressure Injury Advisory Panel (NPIAP), European Pressure Ulcer Advisory Panel (EPUAP) and Pan Pacific Pressure Injury Alliance (PPPIA) with the support of 14 international wound care organizations, 168 international experts working in small working groups and over 699 international stakeholders. The objectives of this conference are to:

1. Identify facilitators and barriers to implementation of prevention and treatment guidelines
2. Identify resources needed for prevention and treatment guideline implementation
3. Discuss potential implementation, policies, and educational strategies
4. Identify quality monitoring designed to support optimal patient outcomes

## FRIDAY, NOVEMBER 15, 2019

| TIME | TOPIC | SPEAKER(S) | TOPICS/OBJECTIVES |
|---|---|---|---|
| 1130 – 1300 | **Registration, Light Lunch and Exhibits Open**<br>Room: Galleria | | |
| | **General Session -** Room: Grand Ballroom | | |
| 1300 – 1320 | **Introduction and Welcome on behalf of NPIAP** | **Janet Cuddigan, PhD, RN, FAAN**<br>*President NPIAP; Co-Chair, International Guideline Governance Group* | 1. Describe the history of the international pressure injury guideline collaborative.<br>2. Appreciate the broad international expertise supporting development of the Guideline |
| 1320 – 1330 | **Welcome on behalf of the Schaeffer Center** | **Joel W. Hay, PhD**<br>*USC Schaeffer Center for Health Policy and Economics* | 1. Welcome attendees.<br>2. Identify the importance of rigorously developed evidence-based guidelines in reducing variability in practice and improving patient outcomes.<br>3. Identify the Importance of evidence in developing public policy. |
| 1330 – 1415 | **Keynote Address** | **John J. Bartrum, Brig, Gen, JD, MBA**<br>*CEO of Brightstar Innovations Group, LLC.* | 1. To understand the power of leveraging the transformational innovation team work used to create the new International Guidelines for the Prevention and Treatment of Pressure Injuries to influence the speed of full adoption of these guidelines being accepted as the standard of care to reduce human suffering and costs. |

## FRIDAY, NOVEMBER 15, 2019

| | | | |
|---|---|---|---|
| 1415 – 1500 | **The Patient's Perspective** | **Joyce Pittman, PhD, RN, ANP-BC, FNP-BC, CWOCN, FAAN**<br>*Moderator; Co-Chair Education Committee; GGG Rep*<br>**Emily Haesler, PhD**<br>*Guideline Methodologist Consumer Voices*<br>**Bernadette Mauro**<br>*Director, Information and Resource Services, Christopher & Dana Reeve Foundation* | 1. Describe results of the international consumer survey on the needs of individuals with or at risk of pressure injuries.<br>2. Appreciate the impact of pressure injuries for individuals. |
| 1500 | **Break & Exhibits**<br>Room: Galleria | | |
| 1530 – 1615 | **Why is this Guideline Important? Overview of Methodology and Key Changes** | **Janet Cuddigan, PhD**<br>*NPIAP Co-Chair* | 1. Describe the rigorous methodology used to develop the Guideline.<br>2. Identify key changes in evidence and recommendations. |
| 1615 – 1700 | **Potential Economic & Policy Implications of the 2019 Guideline** | **William Padula, PhD**<br>*NPIAP Treasurer* | 1. Describe how these new evidence-based recommendations inform economic models for pressure injury reimbursement.<br>2. Discuss potential policy implications of the 2019 International Guideline for the U.S. and the world. |
| 1730 – 1900 | **Reception and Champagne Toast at the University Club Sponsored by Molnlycke**<br>Address: 705 West 34th Street | | |

## SATURDAY, NOVEMBER 16, 2019

| TIME | TOPIC | SPEAKER(S) | TOPICS/OBJECTIVES |
|---|---|---|---|
| 0700 – 0800 | **Breakfast & Exhibits**<br>Room: Galleria<br>**2019 Clinical Practice Guideline Available to All Attendees.**<br>Please present your ticket for your complimentary copy at the conference registration desk.<br>Room: Foyer | | |
| | **General Session -** Room: Grand Ballroom | | |
| 0800 – 0810 | **Welcome** | **Mary Litchford, PhD, RDN, LDN**<br>*Past President, NPIAP; NPIAP GGG Rep* | |
| 0810 – 0830 | **Understanding Pressure Injury Etiology: Beyond Ischemia** | **David Brienza, PhD**<br>*NPIAP Board Member; Co-Chair, Research Committee & S3I ; SWG member* | 1. Discuss the basic science evidence supporting current theories of pressure-shear injury: ischemia, tissue deformation and reperfusion injury.<br>2. Describe implications for potential preventive interventions and future research. |
| 0830 – 0845 | **Understanding Pressure Injury Classification: Let's Get on the Same Page** | **Joyce Black, PhD, RN, FAAN**<br>*NPIAP Board Member; Past President, NPIAP; Co-Chair, Staging Task Force* | 1. Describe the various stages of pressure injuries in relation to etiological mechanisms.<br>2. Identify strategies for accurate staging.<br>3. Identify strengths and limitations of the current staging system. |
| 0845 – 0915 | **Implementation Science Considerations for the 2019 Guideline**<br>*It worked in an RCT. How do I make it work in the real world?* | **Teryl Nuckols, MD, MSHS**<br>*Director, Division of General Internal Medicine at Cedars-Sinai* | 1. Discuss strategies for guideline implementation based on current implementation science.<br>2. Apply implementation science theory and science to implementation of the 2019 International Pressure Injury Prevention and Treatment Guideline in acute and post-acute care settings. |
| 0915 – 0945 | **Break & Exhibits**<br>Room: Galleria | | |

## SATURDAY, NOVEMBER 16, 2019

| | | | |
|---|---|---|---|
| **General Session** - Room: Grand Ballroom | | | |
| 0945 – 1015 | **The Administrator's Perspective** | **William Padula, PhD**<br>*Moderator*<br>**David Marshall, JD, DNP, RN, CENP, NEA-BC, NHDP-BC, FAAN**<br>*Senior Vice President and Chief Nursing Executive, Cedar Sinai*<br>**Daniel Galchi, MD**<br>*Medical Director, Regal Medical Group*<br>**Michael Galchi, JD, MPH**<br>*Chief Legal Counsel, Regal Medical Group* | 1. Discuss guideline implementation considerations from the perspective of C-suite administrators.<br>2. Discuss guideline implementation from the perspective of a large network of care including risk management concerns. |
| 1015 – 1035 | **2019 Prevention Guideline: What is new & different?** | **Janet Cuddigan, PhD, RN, FAAN**<br>**Mary Litchford, PhD, RDN, LDN** | 1. Discuss key prevention recommendations with a special focus on nutrition.<br>2. Identify new evidence-based recommendations for the prevention of pressure injuries. |
| **Breakout Sessions** | | | |
| 1040 – 1140 | **Implementing New Prevention Guidelines into Acute and Post-acute care settings from an Administrative Perspective** | **ACUTE CARE LEADERS:**<br>Room: Grand Ballroom<br>**Joyce Black, PhD, RN, FAAN**<br>**Joyce Pittman, PhD, ANP-BC, FNP-BC, CWOCN, FAAN**<br>*Vice President, NPIAP, Co-Chair Education Committee, NPIAP GGG Rep*<br>**POST-ACUTE CARE LEADERS:**<br>Room: Victory<br>**Elizabeth A. Ayello, PhD, RN, CWON, ETN, MAPWCA, FAAN**<br>*Past President, NPIAP; SWG Member*<br>**Dan R. Berlowitz, MD, MPH**<br>*Past President, NPIAP*<br>*NPIAP GGG rep* | **How can we make prevention work in our setting?**<br>1. Identify facilitators and barriers to implementation of prevention guidelines.<br>2. Identify resources needed for prevention guideline implementation.<br>3. Describe institutional policies that should be updated.<br>4. Describe educational needs of staff.<br>5. Discuss potential implementation strategies.<br>6. Identify quality monitoring and policies designed to support optimal patient outcomes. |

NPIAP℠ NATIONAL PRESSURE INJURY ADVISORY PANEL

## SATURDAY, NOVEMBER 16, 2019

| | | | |
|---|---|---|---|
| **General Session -** Room: Grand Ballroom | | | |
| 1140 – 1215 | **Acute and Post-Acute Group Reports on Prevention** | Group Leaders or Designees | 1. Report facilitators, barriers, resources, educational needs, implementation strategies, quality monitoring and policy in both acute and post-acute care settings.<br>2. Compare and contrast similarities and differences between settings. |
| 1215 – 1315 | **Lunch & Exhibits**<br>Room: Galleria | | |
| 1315 – 1330 | **2019 Treatment Guideline: What is new and different?** | **Dan Berlowitz, MD, MPH** | 1. Discuss key treatment recommendations<br>2. Identify new evidence-based recommendations for the treatment of pressure injuries. |
| **Breakout Sessions** | | | |
| 1330 – 1430 | **Implementing New Treatment Guidelines into Acute and Post-acute Care Settings from an Administrative Perspective** | **ACUTE CARE LEADERS:**<br>Room: Grand Ballroom<br>**Barbara Delmore, PhD, RN, CWCN, MAPWCA, IIWCC-NYU**<br>*Co-Chair of Research Committee; SWG Member*<br>**Jill Cox, PhD RN, APN-c, CWOCN**<br>*Co-Chair of Public Policy Comittee; SWG Member*<br><br>**POST-ACUTE CARE:**<br>Room: Victory<br>**Elizabeth A. Ayello, PhD, RN, CWON, ETN, MAPWCA, FAAN**<br>**Dan R. Berlowitz, MD, MPH** | 1. Identify facilitators and barriers to implementation of treatment guidelines.<br>2. Identify resources needed for treatment guideline implementation.<br>3. Describe institutional policies that should be updated.<br>4. Describe educational needs of staff.<br>5. Discuss potential implementation strategies.<br>6. Identify quality monitoring and policies designed to support optimal patient outcomes. |
