

ASSOCIATION OF OKLAHOMA NURSE PRACTITIONERS

25th Anniversary AONP Conference Exhibitor Brochure

October 2-4, 2019

Tulsa Renaissance Hotel and Convention Center

Introduction

The 25th Anniversary AONP Conference will be held October 2-4, 2019, at the Tulsa Renaissance Hotel and Convention Center. Exhibiting and sponsorship opportunities ensure your company has prime exposure during this two and half day event. Together we can provide a memorable experience for the 350-400 nurse practitioner (NP) and NP students who will be in attendance to view products and learn about your services.

Exhibitors may exhibit on Wednesday, Thursday and Friday. You may choose to set up early Wednesday, October 2nd. The Conference begins with pre-conference workshops, at 8:30am, Wednesday, October 2nd. We have approximately 200 NPs who participate in these pre-conference workshops and welcome exhibitors who want to setup booths for these workshop attendees. The full conference begins at noon on October 2nd and extends through noon on Friday, October 4th. We expect approximately 350-400 NPs at this year's 25th Anniversary Conference. You may take down on Thursday evening or stay through noon on Friday as there will be a full house of attendees through Friday at noon.

Exhibitor booths are strategically located in the hallways outside the meeting rooms, snack areas and rest areas allowing you are better opportunity to show and discuss your products. Conference break times are listed on the Agenda on the Activities page of the AONP website at npofoklahoma.com.

An AONP W-9, directions and map to the Renaissance, room reservations, the conference AGENDA (with break-times where attendees will be free to visit your booth) and other details are conveniently located on the “Activities” page of the AONP website at www.npofoklahoma.com.

If offering a raffle at your booth, notify susie@npofoklahoma.com, to have it announced at the break. The Agenda schedule shows "Long Breaks" which would be the best time for a raffle.
