In accordance with industry standards, Pernix complies with the PhRMA Code on Interactions With Health Care Professionals. In accordance with these requirements for promotional and educational events, Pernix is not permitted to pay for the meals for spouses or guests of HCPs, and such individuals may not attend the event. In addition, as required under certain state laws (such as Minnesota, Massachusetts, and Vermont), and as required by certain government agencies (such as the Department of Defense and the Department of Veterans Affairs), restrictions prohibit or limit the provision of free meals and other gratuitous items to HCPs. If you are licensed in any of these states or affiliated with such government agencies, please act in accordance with such restrictions and note that Pernix intends to comply with such restrictions. The value of the meal provided in connection with the program will be reported by Pernix in accordance with applicable laws, including, without limitation, the requirement of Section 6002 of the Patient Protection and Affordable Care Act (Physician Payment Sunshine Act). This program does not offer CE/CME credits.
