We are thrilled to be hosting the inaugural NPWH Menopause Summit for Advanced Practice Providers. This virtual course meets our members’ request for more continuing education in this hot topic area. The Planning Committee are all Menopause Society Certified Practitioners (formerly known as NAMS Certified Menopause Practitioners), and sessions are taught by leaders and experts in the menopause field.

We are offering a variety of sponsorship opportunities for the Summit, from Platinum and Gold packages (which include a product theater/industry symposium) to a la carte items such as banner ads and promotional emails. Reach a targeted audience of over 500 (expected) registrants eager to learn the latest menopause developments. This course is open to all Advanced Practice Providers, including NPs, MDs, CNMs, and PAs.

If you are interested in exploring a custom package or idea not listed in this prospectus, please contact us to schedule a discussion. We are happy to work collaboratively to meet the needs of your organization!

Thank you for your support of NPWH and this important women’s health issue!
