MAPS held its annual Summer Seminar July 16-17 at the Golden Nugget Convention Center in Biloxi, Mississippi. The speakers were a variety of professionals and subject matter experts. The attendance for the Convention was 125 registered attendees, with 8 Exhibitors.

MAPS will hold a Standards of Practice and Ethics seminar on November 9, 2024 at the Holiday Inn located on Bass Pro Drive in Pearl, Mississippi, being a one-day seminar to provide 4 continuing education hours and will fulfill the Standards of Practice and Ethics requirements.

The dates for the 2027 Annual Convention are February 4 – 5, 2025 and will be held at the Hunting Bank Arena in Tupelo, Mississippi. The featured speaker will be Gary Kent.

Information and registration information for the seminars can be found on the MAPS website at www.mississippisurveyor.com

MAPS expects an active legislative session for 2027. We will be submitting NSRS Modernization legislation. As this is introduced, we expect many questions and special interest to attempt to influence our profession through amendments and revisions.
