

**Northwest Chapter of the American Association of Airport Executives
2018 Application Availability Announcement
Allied Professions Scholarship**

The Northwest Chapter of the American Association of Airport Executives (NWAAAE) supports students who choose to pursue a degree in a course of study allied with the airport management profession. It is the belief of NWAAAE that these students, through their chosen professions, contribute in a positive way to the field of Airport management, either as an alternative entry point into the field through varying avenues of support.

To further this objective, NWAAAE has established the Allied Professions Scholarship in the amount of \$1,000 with the intent of supporting Chapter members or dependents of Chapter members who are enrolled as full time junior or senior year students at an accredited college or university in the following undergraduate programs:

- Engineering
- Architecture
- Information Technology
- Business Administration
- Finance/Accounting

The scholarship is open to all categories of Chapter members and their dependents based on the following criteria:

1. Applicant must be a member, or a dependent of a member, of the Northwest Chapter for at least six months.
2. Preference will be given to applicants associated with a member that works within the Northwest Chapter region.
3. Applicant must have a cumulative GPA of 3.0 or better.

Applications and all supporting documents for the 2018 Allied Scholarship must be **received** by November 20th with scholarships awarded by December 31, 2018.

For more information please visit www.nwaaae.org or contact one of the NWAAAE Scholarship co-chairs:
