The All-Ages All-Abilities Accessible Obstacle Course

Your entire family will rise to the challenge **TOGETHER!**

It's about **FAMILY FITNESS • JOY • INCLUSION**

HappyFest Obstacle Course & Festival is the first obstacle course in the country designed to be accessible for people with and without disabilities – to do **TOGETHER**. Each obstacle on the 1+ mile course has an alternative option for all who choose. It's autism and wheelchair friendly. It's accessible for all!

HappyFest gives the rest of us – all the people who thought they could not do a hard-core obstacle course – the chance to participate in this awesome sport and cross the finish line together.

THE SUCCESS OF HAPPYFEST IS DEPENDENT ON VOLUNTEERS!

WE NEED PHYSICAL THERAPISTS VOLUNTEERS FOR OUR COURSE! Please contact us at happyfestusa@gmail.com.
Thank you!
