

# OFA Master Logger Directory

Monday, May 10, 2021

The Ohio Forestry Association maintains a safety training and voluntary certification program for logging contractors and their employees. Requirements for participation are as follows:

1. Each trained logger is trained to use Best Management Practices (BMPs) to reduce soil erosion and improve the appearance of timber harvesting activities.
2. Each trained logger is trained to employ safe and efficient timber cutting and logging safety practices.
3. Each trained logger is certified in first aid and CPR.
4. The company maintains workers compensation coverage on employees.
5. The company provides liability coverage on request.
6. Each trained logger must participate in advanced training and periodic recertification training.
7. Each trained logger must be a member of the local logger's chapter and the company must be a member of the Ohio Forestry Association.
