## PAYMENT

An OPA-MCE Provider application fee in the amount of \$700 is due from non-profit organizations and \$900 from for-profit organizations, made payable to OPA-MCE. **For the period of September 1, 2018-August 31, 2020, additional fees will be due if more than 20 courses are offered, based on the fee schedule below.** Your organization may either pay the additional fees in advance or the OPA-MCE Office will invoice you at the end of the biennium for additional fees based on the number of courses you offer.

*For those organizations who pay the application fee in full, the OPA-MCE Program will offer a 5% discount on the application fee, making the total for the two-year contract period \$665 for non-profit organizations and \$855 for for-profit organizations. For those organizations that wish to pay in installments, they may make two equal payments of \$350 (non-profit organization) or \$450 (for-profit organization) during the contract period. The first installment is due with the application and the second installment is due by September 1, 2019.*
