## CE Details—For Clinicians

**Target Audience**
This activity is designed for clinicians that care for patients that require home parenteral or enteral nutrition

**Learning Objectives**
At the end of this activity, learners should be able to:
- Describe the care of the patient that requires home parenteral nutrition (HPN).
- Identify complications that develop in the patient that receives HPN and their treatment.
- Explain the role of non-transplant and transplant surgery in the patient that requires HPN.
- Describe the care of the patient that requires home enteral nutrition (HEN).
- List the types of feeding tubes and their indications for the patient that requires HEN.
- Describe the various feeding formulas used for HEN and their indications.

**Activity Goal**
This activity is designed to address the following core and team competencies: Patient Care, Medical Knowledge, Professionalism, and Employ Evidence-based Practices.

**Accreditation**
In support of improving patient care, this activity has been planned and implemented by Ciné-Med and The Oley Foundation. Ciné-Med is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

**Physicians:** Ciné-Med designates this live activity for a maximum of 12.25 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Nurses:** This educational activity is approved for 12.25 contact hours for nurses.

**Pharmacists:** This activity has been accredited for 1.225 CEU (12.25 credit hours) of continuing education credit.

**Dietitians:** Ciné-Med is a Continuing Professional Education (CPE) Accredited Provider with the Commission on Dietetic Registration (CDR). Registered dietitians (RDs) and dietetic technicians, registered (DTRs) will receive 12.25 continuing professional education units (CPEUs) for completion of this program (146662).
Medical Support—Keeping Consumers Safe!
Local hospitals will be notified that HPEN consumers are in town. Let your homecare company know you are traveling. If your homecare company is unable to assist you in the case of an infusion emergency during the conference (if you forget something, have a bag break, etc.), emergency infusion backup support and telephonic nursing/pharmacy support will be available courtesy of Coram/CVS specialty infusion services.

Shipping HPEN Supplies
Separate items that need refrigeration and mark these boxes accordingly. All deliveries should be labeled as shown below. Storage is limited, so please arrange to have your supplies arrive no earlier than three days prior to your arrival. Hotel handling fees have been waived for guests’ medical supplies.

Kidz Klub
Kidz Klub is designed to provide supervised entertainment for kids while parents attend educational sessions. Age-appropriate activities will be offered. Kids must be registered online by June 14 to participate.

Note that we cannot provide medical care; hook up, disconnect, or troubleshoot infusions or tube feeding; change ostomy bags; administer medications; and so on.

Ambassador Workshop/Volunteer Info Session
Planned for “official” Oley volunteers, but open to any consumer or caregiver interested in serving Oley. Learn how to share your time and talents to advance our mission. Contact Lisa at metzgel@amc.edu with questions.

Silent Auction Items Needed
Let’s make this event the best ever! Popular items include: small electronics; jewelry; handmade pieces; games/toys; gift certificates. Bring contributions with you or email marywootten.oley@gmail.com to make shipping arrangements.

Jammin’ Jammies
A chaperoned activity is planned for children ages 7+ Sunday evening! A Dog’s Way Home (PG) will be shown, and kids can create fun memories with friends in our photo booth! Parents are welcome.

Walkathon Raises Funds, Awareness
Walkathon registration sheets are posted at www.oley.org/AnnualConference. T-shirts will be provided to walkers with a suggested minimum donation of $20. Start getting pledges today! Funds raised help support all Oley programs.

Market Research
Share your experience with tube feeding and/or IV nutrition to help improve the next generation of products. Be sure your membership profile on www.oley.org is up-to-date! We issue invitations based on the information you’ve provided. Contact Cathy at (518) 262-5079 or harrinc@amc.edu if you have questions about updating your profile. Opportunities are available to qualified participants on a first-come, first-served basis.

Getting to the Marriott Resort Lincolnshire
- Chicago O’Hare International Airport (ORD) is 18.4 miles away. Taxi fares typically range $56–$86; Uber $32 and up
- Midway International Airport (MDW) is 40 miles away. Taxi fares typically range $130–$160; Uber $59 and up

Travel Grants for Conference Attendees!
Thanks to generous donors there are a limited number of $600 travel scholarships available for consumers or family members who care for them (one per family). Priority will be given to applicants who will be attending the Oley annual conference for the first time, and Oley Ambassadors.

To apply, please send Cathy (harrinc@amc.edu or The Oley Foundation, Albany Medical Center MC-28, 99 Delaware Avenue, Delmar, NY 12054) two paragraphs describing how you believe attending the conference will affect your life and how you plan to share information learned at the conference back home.

If there are still grants available, after May 20 we will consider applications from consumers and caregivers who have attended a conference before.

To be placed on this waiting list, submit your paragraphs as outlined above and indicate (in the subject line, if sent by email), that you’d like to be placed on the list.

Applicants should not be receiving any other financial assistance for travel and/or lodging expenses related to attending the conference. Travel grants are limited to one per family/household. Travel must be completed and receipts received by Oley before reimbursement can be made.

Other ideas to help with travel, and details on travel grants are available at www.oley.org/SupportForConfTravel or email harrinc@amc.edu.
