

HOW CAN OLEY HELP YOU?

Living with nutrition support and managing the physical and emotional challenges it presents can be challenging. Know that you are not alone. Oley envisions a world where patients are united, supported, and empowered to thrive on home nutrition support.

Oley offers resources on self-care practices, education about the different types of nutrition support and its components of care, seeking support systems, adapting to lifestyle changes, navigating healthcare decisions and discussions, and most importantly, living life to the fullest.

Why Connect With Oley?

Reliable, Free Education

Get access to articles, resources, tools, webinars, and more on topics pertaining to components of home nutrition support and navigating life on home nutrition support, all peer reviewed by industry leaders, other patients, and clinicians.

Supportive Community

Connect with others and find support through Oley's online forums, support groups, national conference, phone support line, and regional meetings.

Enteral Donation Program

Donate or request unused enteral supplies at www.oley.org support those in need of assistance and reduce medical waste.

Advocacy

Learn about legislation, awareness initiatives, product manufacturing updates, and how you can help.

Health Outcomes

Independent research has shown that contact with Oley has improved numerous health related measures like confidence and health-related knowledge.

About Us

The Oley Foundation is a national non-profit community and advocacy group for people on nutrition support.

Oley's mission is to improve and enrich the lives of individuals on home nutrition support (home parenteral (HPN) and enteral (HEN) nutrition) through advocacy, education, community and innovation.

Oley was founded February 2, 1983 and is still impacting lives over 40 years later!
