

HPN Awareness Week

Clinicians/professionals/industry: Ideas to help you promote HPN Awareness Week

Before HPN Awareness Week (materials available at oley.org or 518.262.5079)

- arrange for an HPN consumer to speak at an in-service (Oley has speakers bureau list)
- contact health editors at local TV stations and newspapers with HPN news to see if they'll do an interview; coordinate the interview to include an HPN consumer (drug shortages are a hot topic)
- organize a jeans day at work, or other local or online fundraiser (ie, walk, bake sale, "bagels for breakfast" sale) to raise awareness and donate proceeds to Oley
- create videos for Oley to post on Oley YouTube page (see suggested themes below)
- use HPN Awareness Week widget

During HPN Awareness Week

- distribute and wear HPN Awareness Week buttons (available through Oley)
- use HPN Awareness Week logo as Facebook profile photo; join discussions on Oley FB page
- have a social gathering for your HPN consumers and an Oley staff member or Ambassador (please call Oley office for availability and scheduling)

Sunday, *Awareness: explain what home parenteral nutrition is and how it has helped your patients/ the benefits of*

- tell your friends, family, associates
- post on Web sites, blogs

Monday, *Outreach*

- share Oley information packets (available through Oley) and oley.org with other clinicians

Tuesday, *Advocacy: drug shortages, insurance issues, etc.*
