American Society of Enteral and Parenteral Nutrition (ASPEN)

ASPEN is dedicated to improving patient care by advancing the science and practice of clinical nutrition and metabolism.

Founded in 1976, ASPEN is an interdisciplinary organization whose members are involved in the provision of clinical nutrition therapies, including parenteral and enteral nutrition.

With more than 6,000 members from around the world, ASPEN is a community of dietitians, nurses, pharmacists, physicians, scientists, students, and other health professionals from every facet of nutrition support clinical practice, research, and education.
National Organization of Rare Diseases (NORD)

NORD, is a patient advocacy organization dedicated to individuals with rare diseases and the organizations that serve them. NORD, along with its more than 300 patient organization members, is committed to the identification, treatment, and cure of rare disorders through programs of education, advocacy, research, and patient services.
Digestive Disease National Coalition (DDNC)

The Digestive Disease National Coalition (DDNC) is your advocacy organization in our nation’s capital.

In conjunction with our member organizations, DDNC seeks to raise awareness of these diseases in Congress and in the media.
