

2027-2028 Timeline for Certified Optometric Vision Therapist (COVT) Candidates

Once your Certified Optometric Vision Therapist (COVT) application has been accepted, you have up to four years to complete the certification process. Candidates, whose primary language is not English, may request a two-year extension to complete the process.

If you plan to take the Multiple-Choice Examination (MCE) and Oral Interview in 2028, you must adhere to the following deadlines. Candidates may take the MCE at ANY point in the process once the application is received, but it must be completed prior to scheduling your Oral Interview.

The OVDRA Annual Meeting is scheduled for March 28 – April 1, 2028 in Bellevue, WA

Applied Clinical Responses (ACRs) must be sent electronically following the process guidelines available in the candidate guide at www.covd.org/covt. All documents must be loaded as evidence files into Certemy no later than MIDNIGHT EST on the due date to be accepted.

The normal review process will take eight weeks. If the International Examination and Certification Board (IECB) reviewers request more information (revisions), an additional six to eight weeks may be needed to complete the review process. Please plan submissions accordingly. If you have revisions, email them to Lauren at Cert@ovdra.org

Revision Deadline Policy	If revisions are required, you must reply to the reviewers' comments and questions no later than TWO weeks from the date of the IECB Chair's letter if you plan to complete the process this year. Submit mentor approved revisions in the same way you submit ACRs.
June 7, 2027	If you are looking for immediate mentor assignment or plan to submit by the first deadline, you are required to submit your application one month before the first ACR deadline.
