

Continuing Education Credits

Psychologists

PPA is approved by the American Psychological Association (APA) to sponsor continuing education credits for psychologists. PPA maintains responsibility for all our continuing education programs and their content. The continuing education credits for each workshop are designated in the workshop descriptions. In order to receive the credit(s), you must be present for the entire workshop, complete the Participant Satisfaction/Evaluation form, and return it to your presenter or monitor at the conclusion of the program.

Partial credits will not be given. A participant may arrive no more than 10 minutes late nor leave more than 10 minutes early to receive credit for a program. There will be no exceptions.

Certificates of Attendance will be available at papsy.org after the convention.

Act 48 Credits

PPA is an approved provider for Act 48 Continuing Professional Education Requirements as mandated by the Pennsylvania Department of Education. **Certified school psychologists who need Act 48 credits need to include their Professional Personnel ID (PPID) number on the registration form. Non-PPA members must pay an additional \$10 for this service.**

Direct questions about Act 48 credits to Erin Brady, Member Services Coordinator, erin@papsy.org.

Social Workers, Marriage and Family Therapists, and Professional Counselors

Social workers, marriage and family therapists, and professional counselors can receive continuing education from continuing education providers approved by APA. Because PPA is approved by APA to sponsor continuing education, licensed social workers, licensed clinical social workers, licensed marriage and family therapists, and licensed professional counselors will be able to fulfill their continuing education requirement by attending PPA continuing education programs.
