YEAR IN REVIEW

BRITISH
COLUMBIA

British Columbia

Year in review

In 2021, PCA's core activities in B.C. were focused around the following:

Monitoring compulsory trades changes in the province

- Participated in government consultations
- Conducted media engagement advocating for fair policy
- Conducted broad industry engagement

[Click here](#) for the 2021 BC news bulletins

MoneyWellWasted.ca

FAKE CBA

Continuing to fight Community Benefits Agreements (CBA) / Special Project Needs Agreements (SPNA) Legislation

- Continued to pressure government to adjust their policy
- Coordinated with industry partners
- Maintained momentum of social media efforts (Facebook, Twitter, Website)

**Preparing for possible
labour code changes**

**Monitoring government
sick leave changes, and
advocating for PCA
members' interests**

2021 Labour Relations in British Columbia

- **Created 2 working groups with CLAC on the topics of:**
 - Mental health
 - Attracting underrepresented groups to the skilled trades
- **Consulted with CLAC on the labour relations implications from the potential labour code changes, compulsory trades, and the acute worker shortage**
- **Supported our members via a variety of virtual education sessions & events**
- **Conducted key business development and built industry alliances to further PCA's growth in B.C., and to promote the skilled trades**
- **Brought on new affiliate members and resources to support PCA members**
