

Pacific Coast Surgical Association 95th Annual Meeting

February 9-12, 2024

Westin Rancho Mirage Golf Resort & Spa
Rancho Mirage, CA

EXHIBIT PROSPECTUS

From the PCSA President

Dear Industry Colleagues,

On behalf of the Pacific Coast Surgical Association (PCSA), I invite you to join us in person for the 95th Annual Meeting, February 9-12, 2024, at the Westin Rancho Mirage Golf Resort and Spa in Rancho Mirage, California.

PCSA Membership includes many hospital leaders and department chairs from all of the major medical centers on the West Coast, who carry significant impact in their respective disciplines.

Our membership, of over 650 surgeons, are community and academic leaders in surgery who come from one of four Caucuses: Southern California, Northern California, Oregon/Hawaii and Washington/British Columbia/Alaska.

The PCSA holds an Annual Scientific Meeting every February to keep our members up to date on the latest in medical research and clinical practice. High quality presentations cover general and specialty surgery and offer a minimum of 10 AMA PRA Category 1 Credit and interactive Maintenance of Certification credits. Much of our scientific meeting content is published in the most prestigious journal in Surgery, JAMA Surgery.

For those of you who have supported the PCSA in past years, we thank you for your continued support and strongly affirm that the success of our meeting and our effectiveness as a profession are intrinsically linked to the technology and innovation that you provide.

For those of you who are new to the PCSA, this is a vibrant, very active group of community and academic surgeons representing the core of surgical innovation, advanced education, and early adoption in our region.

Over 250 general surgeons and surgical educators, with interests in hepatobiliary, endocrine, trauma, vascular, colorectal, oncology and breast, and cardiac and transplant surgery, along with many residents will be in attendance. Please take a moment to view the graph on page 4 to view PCSA attendee demographics and the top institutions they represent at the Annual Meeting.

Our attendees look forward to learning both at the meeting and from conversations with you during breakfast, breaks, and before and after the sessions. As an exhibitor, we provide you dedicated space and time to connect with the attendees. In addition, there are a number of marketing and advertising opportunities available for maximum exposure.

As in the past, all attendees are strongly encouraged (and rewarded in a raffle) to visit with you and learn about your company and the technology and Innovations that you offer for the care of our surgical patients. We will also have an opportunity for you to network with the PCSA Leadership at the Industry Support Reception – we want to hear from you!

In short, our Annual Meeting will provide you with an unmatched opportunity to network with some of the West Coast's busiest surgeons.

On behalf of all my colleagues, we hope to have you join us in February at the beautiful Westin Rancho Mirage Golf Resort & Spa in Rancho Mirage, California.

We are deeply grateful for your support, which makes our meeting possible.

Sincerely yours,

Christian de Virgilio
PCSA President
