

In 2007, Jenna Gotch opened Passionately Pets in Northern Virginia. The business started as a one woman operation with a small, one city service area. Over the last 12 years she has grown the business significantly, servicing 4 cities with over 20 employees. Jenna is a proud member of her local pet sitters' network, National Capital Area Professional Pet Sitters Network (NCAPPS). She has held three separate positions on the Executive Committee of NCAPPS, starting as Secretary and advancing to President and then Past President, helping to re-brand the organization, update the bylaws and launch a new and improved website. As a member of the Network, Jenna also helped put together a volunteer effort with a local shelter and most recently, aided in planning NCAPPS 2nd Annual Pet Care Summit which was a big success. Walking dogs is not the only way that Jenna stays active.

She enjoys helping the community stay healthy and fit by teaching several group exercise classes, her favorite being Turbo Kick. She prefers to keep busy and moving. Her young pit bull mix, Penny, contributes to this effort.
