

Associated Plumbing | Heating/Cooling Contractors of Texas

Looking forward to another great year at PHCC Texas! Be a part of the Association promoting the Plumbing and HVAC Trades across the State and the Nation.

Last year was an amazing year of growth and finding new ways to support our members through Education, Advocacy, and Community.

- **R.E.A.C.H. 2025** was the largest conference to date and provided our members with the opportunity to learn from some great speakers and connect with other industry leaders
- HVAC programs are now available through PHCC Texas, visit our website for more information <https://phcc-tx.org/page/HVAC>. We are so much more than just plumbing now, we are a full service provider for all your needs
- **PHCC Texas** successfully lobbied to grow CTE programs in the high school and college, and was recognized by Governor Abbott for our support
- To bring plumbing into the high schools, PHCC Texas created an 8-week pre-apprentice program for high school juniors at two districts across the state, with more to come!
- **Plumb Perfect**, the high school plumbing program was a huge success with multiple school districts from across the state competing to plumb a bathroom. With our partner, CIEF, we have expanded the plumbing opportunities to schools that don't have plumbing programs at no cost for the schools.
- We continue to offer high quality Continuing Education for plumbers across the state, with discounts for members

All of this was possible with your help, being a member of PHCC Texas means you are a part of building the Plumbing and HVAC Trades in this state. With a focus on Education, Advocacy, and Community, PHCC Texas is here for you in 2026 and beyond.

FROM OUR 2026 PRESIDENT, JAMES BEYER:

As your incoming President, I'm truly honored to step into this role and represent the plumbing and HVAC professionals who keep Texas running strong. One of the most important things PHCC Texas does is advocate for our industry at the State Capitol. Whether it's protecting our licensing, improving workforce training, or ensuring fair and consistent code enforcement, PHCC is at the table—making sure the voice of Texas contractors is heard loud and clear. When we stand together, we have real influence over the future of our trades.

Being a member of **PHCC Texas** isn't just about belonging to an association—it's about being part of something bigger. It's about access to resources that help you grow your business, training that strengthens your team, and relationships that connect you with others who share your same challenges and goals. I've seen firsthand how much stronger we are when we come together. By joining—or renewing—you're not just joining an organization; you're joining a community dedicated to elevating our profession and safeguarding the standards that make Texas contractors the best in the nation.

As we kick off this membership drive, I hope you'll join me in helping build the next generation of leaders in our industry and keep our collective voice strong for years to come.

To find out more information about the great things YOUR Association is doing, find us at phcc-tx.org, or give us a call anytime.

This Association exists because of and for YOU!

Please return this paper form with attached payment by check, money order, or cash. For your protection, please do not submit your credit card information by email. If you would like to pay by card, you may do so online or over the phone. To pay online, visit our website at www.phcc-tx.org. To make renewing easier, your membership will automatically renew each year so you don't miss out on benefits or communications. If you would rather renew manually, please indicate so here: Opt out of auto-renewal

PHCC membership dues are not deductible as a charitable contribution for U.S. Federal income tax purposes but may be deductible as a business expense. For 2025, PHCC estimates that 100% constitutes lobbying expense.

Please mail or email the application along with payment to membership@phcc-tx.org.

Other ways to join: Call us at 512-523-8094 and we will be happy to process your membership over the phone.
