CATEGORIES OF MEMBERSHIP

Diplomate (\$395)

A physician qualified to practice medicine in the United States or Canada. He/she must have a primary certificate of PM&R or subspecialty certificate that falls under PM&R and be a Diplomate of the American board of physical Medicine and rehabilitation or declared equally qualified by his/ her country's specialty examining board (such as the royal college of physicians and surgeons of Canada). Diplomate members are eligible to hold office and vote.

Associate (\$395)

Physicians who practice, or are interested in physical medicine and rehabilitation and who are a member of the American board of Medical specialties or Canadian equivalent or a Diplomate of an approved board of the American osteopathic Association. Associate members shall enjoy all privileges of membership except voting and holding office.

Early Career (Year 1, 2 or 3) (\$240)

A physician in their first, second or third year out of a PM&R residency or fellowship training and who is qualified to practice medicine in the United states or Canada. he/she must have a primary certificate of PM&R or subspecialty certificate that falls under PM&R or be board eligible for that certificate or declared equally qualified by his/ her country's specialty examining board (such as the royal college of physicians and surgeons of Canada). Early career members are eligible to hold office and vote.

International **Level 1 (\$250) Level 2 (\$150) Level 3 (\$110)**

A physician legally qualified to practice medicine in his/her country of residence, with training and experience comparable to Diplomates of the ABPMR, or a healthcare provider working in rehabilitation. An international member may also be actively engaged in the practice of PM&R as well as in psychiatric research and/or the training of physicians/ students in the specialty of psychiatry. International members enjoy all of the privileges of membership except voting and holding office.

In-Training (Resident or Fellow) (\$97)

A physician actively engaged in a resident or fellow training program leading to admissibility to the certifying examination of the ABPMR (or his/her country's equivalent examining board).

In-Training (Medical Student) (\$65)

A student in a North American Medical School or Osteopathic School interested in physical medicine and rehabilitation.

Emeritus (\$155)

A physician permanently retired from the practice of medicine.

Health Professional/Researcher (\$325)

A nonphysician health care professional with an academic appointment in a division or department of PM&R in a North American Medical School. Affiliate members enjoy all the privileges of membership except voting and holding office.

Administrative Director (\$225)

Individual employed in an academic PM&R program and overseeing the business functions of the department or division. Administrative Director members shall enjoy all privileges of membership except voting and holding office.

Program Coordinator (\$150)

Individual employed in an academic PM&R program and overseeing the coordination of a PM&R residency or fellowship program. Program coordinators shall enjoy all privileges of membership except voting and holding office.
