## Career Conversations now live!

NEJM Group and NEJM CareerCenter in collaboration with the American Physician Scientists Association are hosting a six-part online series about the lives and careers of the physician scientist. These "Career Conversations" take place in the NEJM Group Open Forum on [Medstro.com](http://medstro.com) (<http://medstro.com/>), the social network for physicians and medical students launches today! A link to the video from the live kickoff this morning can be found here <https://medstro.com/posts/2604> (<https://medstro.com/posts/2604>).

## Interested in radiology? Apply for the ITAR program today!

We would like to invite you to apply to the RSNA Introduction to Academic Radiology (ITAR) program. As part of a collaboration between RSNA and APSA, two medical students will be selected to travel to the RSNA Annual Meeting in Chicago for this special 4-day seminar to be held from Nov 29th-Dec 3rd, 2015. A \$1000 stipend will be awarded by RSNA to the selected students to offset travel and lodging costs. Applications are due on August 16th. To be considered, candidates must be current trainees in an accredited MD or MD/PhD program and must demonstrate academic radiology interest. Chosen candidates must have significant research experience of one (1) year or more. Applications available here [http://www.physicianscientists.org/page=2015itar\\_app](http://www.physicianscientists.org/page=2015itar_app) ([/?page=2015itar\\_app](http://www.physicianscientists.org/page=2015itar_app)).
