

Dear APSA Member,

NEW Specialty Interest Announcements!

We are rolling out a new feature in 2019-2020! We will begin sending personalized emails with information from our partner organizations based on the specialties that you are interested in. In order to opt-in to these emails, please [login to your APSA member account](#) and go to **My APSA > Manage Profile > Edit Bio**. Scroll down to **Additional Information** and select the medical specialties that interest you! We will use this information to curate emails with upcoming meetings, deadlines, and fellowship opportunities so that you can stay up-to-date on the information that is important to you!

And feel free to forward this announcement to anyone else who might benefit from this session.

[Apply today to be a 2019-2020 APSA leader!](#)

APSA is now taking applications for 2019-2020 elected positions! Gain valuable leadership experience with a national organization, and build on your strengths and interests by serving on one of our many committees. [See the website](#) for more information on the specific positions. The deadline to apply for elected positions is **Friday, March 29th, 2019**. Only previous APSA leaders are eligible for elected positions. As always, positions on standing and ad hoc committees are accepted on a **rolling basis**. [Apply today](#) to be among the next leaders of APSA!

[34th Annual National MD/PhD Conference](#)

On **July 12th-14th, 2019** over 200 MD/PhD students will gather in Copper Mountain, CO for the meeting of the year! Now in its 34th year, the Annual National MD/PhD Conference aims to connect physician-scientists from all stages and facilitate discussions on current research and the future of the career. Abstract submissions and registration are still open, apply now on the [meeting website!](#) The deadline for abstracts to be considered for oral presentations is **May 19th**; abstracts for poster presentations need to be submitted by **June 1st**. Registration closes **June 13th!**

[Double Your Dollars](#)

In honor of APSA's 15th anniversary, a generous donor has agreed to match contributions to our endowment up to \$5,000 in 2019 and again in 2020. We need your help to meet our goal! All funds will go towards continuing to provide resources and advocacy for physician-scientist trainees. You can donate online [on our website](#) or during registration for the Annual Meeting. Thank you in advance!

Sincerely,

The American Physician Scientists Association (APSA)
