Your Commitment:

As a part of your church/organization's membership with **GEMS Girls' Clubs**, you have agreed to schedule and receive an offering or make a donation in support of the ministry on an annual basis.

Special Note to Deacons: GEMS receives many inquiries on how much support is needed and/or appropriate for an annual gift. As a guideline, we suggest a minimum donation of **\$24 USD, or \$33 CAD, per girl in your club.**

If your church desires to take an additional missional offering for GEMS outreach and club community support, we would be deeply grateful. We can share more information. To help your congregation connect with the impact of their giving, we would gladly provide a **speaker or video resource** for a worship service or special event.
