Art Wolfe Program for FIAP Photo Academy

The International Federation of Photographic Art (FIAP) Photo Academy Online Events presented "Recent Works" by American photographer Art Wolfe, on Saturday, December 18. The FIAP Photo Academy Online Events was created in May 2020 to host master photographers from all over the world.

Over the course of his 40-year career, Art Wolfe has worked on every continent and in hundreds of locations. Art's photographs are recognized throughout the world for their mastery of color, composition, and perspective. Art was the host of the award-winning and internationally telecast series *Art Wolfe's Travels to the Edge*, an intimate and upbeat series that offers insights on nature, culture, and the realm of digital photography. It continues to air worldwide. He has released over 100 books. During his presentation Art featured photographs from his latest book projects and personal works including, *Wild Lives*, *Human Canvas*, and a special preview from his latest release, *Night on Earth*.
